Behind the Scenes Spectacular

Would you like to go into the giraffe barn and feed a giraffe, or visit with a porcupine and feel their quills? Visit with Pumba and Miss Piggy, our African Warthogs. How about being licked by one of the smallest antelopes, Lily, and feeding treats to some of the exotic birds who are housed with Miss Lily. And yes, you might visit the cheetah barn where the cheetahs are housed and see them up close enough to count their spots and hear them purr. You will see many of these animals on your private Behind the Scenes tour, which is up to one hour long.

The cost is \$200.00 for two people and \$50.00 for each additional adult or \$30 for each additional child. (Maximum of 6 people per tour)

Cheetah Photo

Have a photo with one of our beautiful cats. Our photographer will take a photo of you standing behind our cheetah and as you and the cat are both smiling together he will get that special photo. You will receive an 8x10 matted photo from which our photographer has digitally removed the leash from the cat so that it looks like you are standing alone with the cheetah.

The cost is \$150.00 for up to 10 people, over 10 people is \$250 to a maximum of 25 guests.

Fast Cat Alley – Cheetah Encounter

Experience the thrill of an exclusive and private behind the scenes cheetah encounter in this unforgettable thirty minute activity. Our cheetah handlers take you to visit *Fast Cat Alley* where you meet our cheetahs up close and personal and see the Cheetah Keepers play soccer with the cheetahs. You get to be the referee by throwing the soccer ball into the field to get the game started! Who will get the most goals? Our money is on the cheetahs! You get to take the winning soccer ball home, "signed" by our cheetahs of course! When the game is done, chat with our professional animal handlers to learn more about cheetahs, cheetah conservation efforts and what you can do to help save this highly specialized and smallest of the big cats of Africa.

The cost is \$200.00 (maximum of 2 adults). *Children not allowed for safety reasons.*

Cheetah Presentation

Want to learn where cheetahs lived long ago, their history, behavior, and what conservation efforts are going on now to help save the cheetah from extinction? We will bring one of our cheetahs up to the presentation area and have a naturalist talk to you about the Cheetah. This is a half hour program in which we don't guarantee that the cat will stay for the whole program...this is a wild animal with feline temperament.

The cost is \$250.00 for up to 25 people and \$10 for each additional guest.

Animal Presentation

Animal handlers will bring out an array of different animals for you to see: birds, reptiles, and mammals. Learn about each ones habitat, where they come from, and much more.
