### Delilah's Fund...Connecting Children to Nature

The Safari West Wildlife Foundation is a research and educational nonprofit 501(c)(3) organization dedicated to the protection and preservation of wildlife. The foundation helps the community develop a deeper appreciation for the natural environment and conservation through tours, seminars, workshops, wildlife camps for children, and various other efforts. Our *Safari West Discover Africa* program offers a priceless learning experience to children who might never otherwise have this opportunity. We find that even a simple and fun activity such as counting a zebra's stripes leaves a lasting "conservation imprint" on young developing minds.
