Private Animal Adventures

Upon special arrangement, guests can enjoy unique and private animal experiences. You can have your photo taken with our cheetahs, Thula or Gijima, by professional photographers, visit with the cheetahs and their handlers in Fast Cat Alley, or schedule a Behind the Scenes tour—there's nothing like getting up close to a giddy giraffe! With or without an overnight stay, you can schedule a Keeper of the Day tour. You might even want to bring the whole herd for an exciting animal presentation.

Listed here are the activities and their costs. All tours and activities at Safari West need to be booked directly with our guest services. Please be advised, all private animal activities and presentations are dependent on animal behavior and based on availability.

For reservations contact Marie Martinez at (707) 566-3610 or email: mmartinez@safariwest.com

Behind the Scenes Spectacular

How would you like to go into the giraffe barn and feed a giraffe or perhaps visit with a porcupine and feel its quills? You might get to meet Pumba and Miss Piggy, our African Warthogs, or experience being licked by Lily, a member of one of the smallest species of antelopes. Enjoy hand feeding treats to some rare and exotic birds in the private aviary. Your knowledgeable guide will take you to see many or all of these animals on your private Behind the Scenes tour (up to one hour long).

The cost is \$225.00 for 2 people and \$50.00 for each additional adult or \$30 for each additional child (maximum of 6 people per tour). Gratuity for your guide is included in the price of the Behind the Scenes Tour.

Cheetah Photo

Have a photo taken with one of our beautiful cats. Our photographer will

take a photo of you standing behind our cheetah—as you and the cat are both smiling together he will snap that extra special photo. You will receive an 8x10 matted photo. The cheetah's leash will be digitally removed from the image so that it looks like you are standing alone with the cheetah!

The cost is \$150.00 for up to 6 people, \$250 for 6+ up to 25 people, and \$500 for 25+ people (plus applicable tax).

Fast Cat Alley – Cheetah Encounter

Experience the thrill of an exclusive and private behind the scenes cheetah encounter in this unforgettable thirty minute activity. Our cheetah handlers take you to visit Fast Cat Alley where you meet our cheetahs up close and personal and watch the cheetah keepers play soccer with these sleek cats. You get to be the referee by throwing the soccer ball into the field to get the game started! *Who will get the most goals?*

(Fast Cat Alley continued)

Our money is on the cheetahs! The winning soccer ball is yours to take home, "signed" by our cheetahs of course! When the game is done, chat with our professional animal handlers to learn more about cheetahs, cheetah conservation efforts, and what you can do to help save this highly specialized and smallest of the big cats of Africa. The cost is \$200.00. Maximum of 2 adults. Children not allowed for safety reasons.

Cheetah Presentation

Want to learn where cheetahs lived long ago—including their history, behavior, and what conservation efforts are going on now to help save the cheetah from extinction? We will bring one of our cheetahs up to the presentation area and have a naturalist talk to you about this specialized species. This is a half hour program in which we cannot guarantee that the cat will stay for the whole program...this is a wild animal with a definite feline temperament!

The cost is \$500.00 for up to 25 people and \$20 for each additional guest.

Animal Presentation

Bonnie Cromwell of Classroom Safari, in collaboration with Safari West, brings her own exotic animals for your viewing pleasure. Sit back and enjoy a private presentation of various mammals and reptiles of all shapes and sizes (may include ocelots, llamas, ferrets, snakes, alligators, etc.).

This program is about one hour long and the cost is \$350.00 for up to 25 people and \$10 for each additional guest.
